Tiny Tot Town
Heart of Play

At Tiny Tot Town, we understand that raising young children is challenging, especially with the pressures families face today. We believe that play is essential—it's how children explore, wonder, connect, and grow.

That's why we have developed a membership that everyone in the community can access. By becoming a member, you are doing more than just creating memorable experiences for your own family; you are investing in a shared future where high-quality early learning and family connection are accessible to everyone in the community.

Membership Model:
Our recommended contribution is $25 a month ($300 a year)
We depend on the generous support of our members, visitors, and donors to keep our doors open, BUT we also want to make sure that every child and caregiver can access our exhibits and programs regardless of their capacity to pay. If $25/month still feels out of reach, we will help you find a monthly contribution that feels more aligned to your budget.

Memberships at ANY contribution level include:

- Admission for any 5 people (adult or child) per visit
- Unlimited visits
- Flexible payment options: pay in full or monthly for no additional fee

Annual Membership:
A one-time contribution of $300 for unlimited yearly access. Annual memberships are a great fit for:

- Families who are in a position to support our mission at the recommended contribution level and would like to contribute $300 up front
- Those looking to gift a membership to someone else

Sliding Scale Membership:
If you would prefer a Sliding Scale membership model, please fill out the form below. Our Executive Director will be in touch to set up your membership.
With a sliding scale membership, you have to option to:

- Split a full priced annual membership ($300) into monthly contributions
- Select your own monthly or annual contribution that aligns with your budget
